

## Why should you care?

Of the 205,000 residents of Washington County alone, 22.2% are under the age of 18. That's **45,510 children!** Of those, 9.8% live at or below the poverty level.

During the past twenty years, **contemporary family life has changed.** Many children live in families in which both parents work outside the home.

**Children are also affected by divorce.** Many children spend weekends with the non-custodial parent. These children may be unable to participate consistently in Sunday church activities. **KINGS Clubs™** through the week can provide alternative times when these children can meet and learn about Jesus.

Consider these sobering statistics. **Every day** in America:

- 6 children commit suicide
- 13 children are homicide victims
- 14 children are killed by firearms
- 5,753 children are arrested
- 34 children die from accidents
- 1,329 babies are born to teen mothers
- 367 children are arrested for drug abuse
- 17,297 school students are suspended

So why should you care? Jesus did! **Jesus considered children very important.** He was an advocate for children. The Biblical passages Matthew 19:13-15, Mark 10:13-16 and Luke 18:15-17, record how Jesus blessed, received and accepted little children. They also record how shocked the disciples were by Jesus' action. We are called today to reach out to children and their families in Jesus' name.

## CHILD EVANGELISM OUTREACH INC.

**“...And these words...thou shalt teach them diligently unto thy children, and shalt talk of them...”**

-Deuteronomy 6:6-7

## Who are we?

We are **Child Evangelism Outreach Inc.**, headquartered in Washington, Pennsylvania.

Since the late 1930s we have existed as an interdenominational faith mission engaged in reaching children for the Lord Jesus Christ in Southwestern Pennsylvania.

## How do we operate?

The ministry of Child Evangelism Outreach Inc. operates under the auspices of a **local board of directors**, including a chairman, vice-chairman, secretary, treasurer, assistant treasurer, and individual members. This board, consisting of men and women, meets monthly to pray, to discuss business, to plan upcoming events, and to fellowship together.

Board members are committed Christians involved in their own local churches, who have a deep burden for children and a sincere desire to reach them for Christ.

Perhaps you would consider a ministry on the CEO Inc. board of directors.
